OPEN AIR CHAPEL, ST. ANNE'S SHRINE, FISKDALE, MASS.

In 1887 a little church was built on a hillside overlooking the village of Fiskdale by Monsignor Brochu, then pastor of Notre Dame, Southbridge, Mass.; for the dual purpose of honoring St Anne and accommodating the Catholics of the village. A few years later a relic was obtained from St. Anne de Beaupre, Canada. This relic placed in the church is venerated by thousands yearly.
